

Health, Tech & Trades Career Expo

Commitment to Participate

Our goal is to ensure a productive, engaging, and safe experience for all participating students. Please sign and upload this during registration. If not possible, please email them to Hannah Johnson at marketing@buildrrv.org.

Schools are responsible to:

1. Provide adequate supervision by assigning staff members to chaperone students throughout the event.
2. Ensure that all transportation is arranged and meets district safety standards.
3. Conduct pre-event briefings with students regarding expectations for behavior, safety, and participation.
4. Maintain clear communication with event organizers and follow all venue-specific safety protocols.
5. Ensure student attendance is accurately documented and follow up on any emergencies or concerns during the event.
6. Account for individual student health needs and monitor/support during the event if assistance is needed.
7. Provide proof of insurance to event organizers to ensure all parties are covered in the event of an unforeseen incident, reinforcing our commitment to student and staff safety.
