Impacting our community
through building projects,
empowering students and
shaping the future workforce.

**Promoting
careers in construction
since 1993!**

Students!
We're here to support your career in construction.

Herdina Construction Trades Camp

We partner with Minnesota State Community and Technical College to organize a two-week camp over the summer for high school students age 15 and up. **Herdina Construction Trades Camp attendees get to work on a project alongside industry professionals** who are Home Builders Care Foundation volunteers. Students receive college credit and are eligible for scholarships, too. 16 students graduated from the program in 2025 and organizers are excited for another great camp June 1-5 and 8-12, 2026.

Scholarship Program

In 2024, we supported 21 area students working towards degrees related to the construction industry. 4 graduating high school students and 15 post-secondary students were **awarded a total of \$17,000 in scholarships**. Since beginning the program, Home Builders Care Foundation has given away nearly \$440,000 to students.

Approximate application periods:

- » High school students planning to pursue a career in construction: Jan. 1 - April 1
 - Awards announced in May
- » College students enrolled locally in a construction-related major: Sept. 1 - Nov. 15
 - Awards announced in January

Learn more about these opportunities at hbcfm.com.

"I have always enjoyed the hands-on aspect of learning, whether it was a school project or building a shed in shop class. The moment I realized I wanted to go into construction was when I saw my sisters' excited faces when they opened up a playhouse I got for them for Christmas - I knew my dream was to build other people's dream homes.

This scholarship opportunity helped me focus on my studies and know the industry is behind my education."
